Dear Commodore, Officers and Members

The Baie d'Urfé Yacht Club would like to extend reciprocal privileges to you and your club members. BDYC values relationships with fellow yacht clubs and we look forward to hosting your visiting members.

Our Club is situated on Lake St-Louis on the south shore of the Island of Montreal. Our location is 30 minutes by boat to the locks at Sainte-Anne-de-Bellevue, the gateway to Lake of Two Mountains, the Ottawa River, and the Rideau Canal system. It also has reasonable access from the Beauharnois locks of the St. Lawrence River system.

BDYC offers a quiet harbour (we have only sailboat memberships) and a clubhouse with Wifi, full kitchen facilities, a lounge area, a scenic deck with BBQs overlooking the harbour, and washroom/shower facilities. The Club is within a reasonable walk or short bus ride of the waterfront restaurants and shops of historic Sainte-Anne-de-Bellevue. Public transport near the Club gate provides easy access to Montreal.

We are a small club and therefore have some limitations for visitors:

- Maximum fixed draft for boats using the harbour is 4'6"; maximum length is 30'
- Visiting boats must carry liability insurance and show documentation on request.
- Fuel and pump-out services are not available but can be found at the Ile Perrot Marina across the lake (15 minutes by boat).
- For insurance reasons the use of our small crane is not available to visitors.
- Please contact us in advance to confirm a place is available (manager@bdyc.com)

Our bilingual staff will be pleased to welcome you and assist in allocating a berth. Boats from clubs having a reciprocal agreements are permitted three nights per season free of charge, after which the nightly rate of \$30.00 will apply. A list of clubs with which we believe we have reciprocal arrangements can be found on the Club website bdyc.com. If your club is not on the list and if you wish a reciprocal arrangement, please contact secretary@bdyc.com.

Please note: We hope to maintain our reciprocal relation with your club without explicitly renewing it every year. Please assume that we extend, until further notice, our offer of Club privileges to your members, as long as your club maintains its reciprocal offer to our own members.

Best wishes,
Margaret Stewart
Commodore
